<b>BURSARY</b>	A Bursary is a non-repayable monetary award based on financial need and reasonable academic standing as determined by the donor
<b>LOAN</b>	A loan is a repayable monetary award based on financial need
<b>SCHOLARSHIP</b>	A scholarship is a monetary award based on academic merit or excellence in an area to which the award pertains
<b>ENTRANCE SCHOLARSHIP</b>	An entrance scholarship is one that is available to students who are proceeding from Grade 12 to studies in a post-secondary institution
<b>OPEN ENTRANCE SCHOLARSHIP</b>	An open entrance scholarship is one that is available to all students provided that they meet the academic requirements

## **STRATEGY**

Apply for as many scholarships as possible. Be prepared to spend time and effort; successful scholarship applications are the result of care, good supporting documents, and attention to detail.

1. Begin **EARLY** in the school year.
2. Choose the scholarships and bursaries for which you are realistically eligible.
3. Check parental affiliation with unions, companies and organizations (often includes grandparents, stepparents, etc.).
4. Obtain the application forms from the counselling secretary and complete them; if necessary ask for letters of reference or recommendation and procure all relevant documents.
5. Chart the scholarships that you intend to apply for. **REMEMBER THE DEADLINE IS MONDAY, MARCH 25, 2019** (unless stated otherwise in this package). Check with Ms. Hittinger about any which you are in doubt.

## **APPLICATION GUIDELINES**

1. Check that you meet the criteria. Follow the instructions for application accurately.
2. If the application requires a letter, make sure the letter is neat, accurate, and legible:
  - a) Use 8 1/2 x 11 inch white paper
  - b) Use **one** (1) side only
  - c) Use standard business style
  - d) Include identity, academic standing, participation in school and community activities, and future plans
  - e) Be straightforward, concise and unemotional
  - f) Check whether application must be typed or handwritten
  - g) Use a laser printer if possible with clean bold print.
3. If an award is restricted, include detailed and precise information, which makes clear your eligibility for the award. You may need to write a separate letter.
4. If the award requires writing scholarship examinations, this means the Provincial Scholarship Examinations. If this criterion is not stated, you may assume that you can qualify without writing the examinations.

## **COVER LETTER**

The importance of a good cover letter cannot be overemphasized since it is the usual basis for screening candidates. A good cover letter takes a great deal of time, effort, thought and revision; it is often the difference between a candidate being considered or rejected.

Follow a format, which includes the following information:

1. Brief outline of interests, hobbies and activities.
2. Brief summary of positions and offices held in school, youth organizations and the community. Grades 10, 11, and 12 are usually sufficient.
3. Short statement of purpose in seeking to attend post-secondary.
4. Information on awards, scholarships and prizes won in any field.
5. Details of employment in the last two (2) years.
6. If you plan on **taking a year off** before pursuing post-secondary studies, make sure you outline your plan in your cover letter.

## **RESUME**

A resume for a scholarship application has a different emphasis from a resume for employment. Like a cover letter, a good resume requires time, effort, thought and revision. A resume should be no more than TWO (2) pages. Use a word processor and laser printer if possible. See Ms. Hittinger for more details.

## **LETTERS OF REFERENCE**

Many applications require letters of reference or recommendation, which often form an important part in a committee's decision. It is important, therefore, to give careful consideration to your choice. Ask adults who know you well, but who are **not** members of your family. Employers, coaches, principals, teachers, ministers, and neighbors are all possibilities. Choose people who are familiar with your achievements in school, athletics, student government, community service, employment, and other extra-curricular activities.

Be sure to tell your references specifically what you need and give them plenty of time because writing a good letter of reference requires time, effort, and thought. Give your references copies of your resume to help them be thorough in their recommendations.

## **THANK-YOU LETTER**

If you have the honour of winning an award, scholarship or bursary **please** take the time to write a personal letter of thanks to the donor. If you need to postpone your schooling for one (1) year, ask them if it is possible to defer the award.

## **PERSONAL EDUCATION NUMBER**

A Personal Education Number (PEN) is a 9-digit identification number assigned by the Ministry to each student registered in Kindergarten to Grade 12 in the Public or Independent school systems and to students registered in BC's public post-secondary institutions.

Students must have a PEN to register for the Provincial Government Examinations and the Provincial Government Scholarship Examinations.

## **GOVERNMENT SCHOLARSHIPS/AWARDS**

### **1. BC ACHIEVEMENT SCHOLARSHIPS**

For the 2018-19 school year, 3000 top BC graduates with the highest cumulative average based on courses required for graduation (both required and elective) are eligible to receive a \$1,250 scholarship voucher to use towards their post-secondary tuition.

The Ministry will determine recipients based on students' achievement in Grades 10, 11, and 12 courses that satisfy 2018 Graduation Program requirements (including elective courses). Grad Transitions will ***not*** be included. A cumulative average percentage will be calculated and form the basis for awarding the BC Achievement Scholarship.

### **2. GRADUATION PROGRAM EXAMINATIONS SCHOLARSHIPS**

The Graduation Program Examinations Scholarship recognizes students' academic excellence across the suite of graduation provincial exams. Graduation Program Examination Scholarships are a \$1,250 award to the top academic students in BC (based on their exam percentage score).

### **3. PROVINCIALY-SPONSORED DISTRICT SCHOLARSHIPS AND AWARDS**

These awards are administered by the School District Scholarship and Awards Committee and are tenable to any recognized post-secondary institution. The purpose of the District Scholarships and Awards are to acknowledge excellence in fields other than academic. There are several for \$1,000 each. You must also produce a portfolio and get letters from teachers. Attendance and citizenship also count.

Application forms are due early May - see Ms. Hittinger or the Counselling Office.  
Portfolios are presented mid - May.

### **4. BC EXCELLENCE SCHOLARSHIP**

One student will be nominated by the school.
