STRATEGY

Apply for as many scholarships as possible. Be prepared to spend time and effort; successful scholarship applications are the result of care, good supporting documents, and attention to detail.

1. Begin **EARLY** in the school year.
2. Choose the scholarships and bursaries for which you are realistically eligible.
3. Check parental affiliation with unions, companies and organizations (often includes grandparents, stepparents, etc.).
4. Obtain the application forms from the counselling secretary and complete them; if necessary ask for letters of reference or recommendation and procure all relevant documents.
5. Chart the scholarships that you intend to apply for. **REMEMBER THE DEADLINE IS WEDNESDAY, MARCH 30, 2022 (unless stated otherwise in this package)**. Check with Ms. LaForge if you have any questions.

APPLICATION GUIDELINES

1. Check that you meet the criteria. Follow the instructions for application accurately.
2. If the application requires a letter, make sure the letter is neat, accurate, and legible:
 - a) Use 8 1/2 x 11 inch white paper
 - b) **Use one (1) side only**
 - c) Use standard business style
 - d) Include identity, academic standing, participation in school and community activities, and future plans
 - e) Be straightforward, concise and unemotional
 - f) Check whether application must be typed or handwritten
 - g) Use a laser printer if possible with clean bold print.
3. If an award is restricted, include detailed and precise information, which makes clear your eligibility for the award. You may need to write a separate letter.
4. If the award requires writing scholarship examinations, this means the Provincial Scholarship Examinations. If this criterion is not stated, you may assume that you can qualify without writing the examinations.

COVER LETTER

The importance of a good cover letter cannot be overemphasized since it is the usual basis for screening candidates. A good cover letter takes a great deal of time, effort, thought and revision; it is often the difference between a candidate being considered or rejected.

Follow a format, which includes the following information:

1. Brief outline of interests, hobbies and activities.
2. Brief summary of positions and offices held in school, youth organizations and the community. Grades 10, 11, and 12 are usually sufficient.
3. Short statement of purpose in seeking to attend post-secondary.
4. Information on awards, scholarships and prizes won in any field.
5. Details of employment in the last two (2) years.
6. If you plan on **taking a year off** before pursuing post-secondary studies, make sure you outline your plan in your cover letter.

RESUME

A resume for a scholarship application has a different emphasis from a resume for employment. Like a cover letter, a good resume requires time, effort, thought and revision. A resume should be no more than TWO (2) pages. Use a word processor and laser printer if possible. See Ms. LaForge for more details.

LETTERS OF REFERENCE

Many applications require letters of reference or recommendation, which often form an important part in a committee's decision. It is important, therefore, to give careful consideration to your choice. Ask adults who know you well, but who are **not** members of your family. Employers, coaches, principals, teachers, ministers, and neighbors are all possibilities. Choose people who are familiar with your achievements in school, athletics, student government, community service, employment, and other extra-curricular activities.

Be sure to tell your references specifically what you need and give them plenty of time because writing a good letter of reference requires time, effort, and thought. Give your references copies of your resume to help them be thorough in their recommendations.

THANK-YOU LETTER

If you have the honour of winning an award, scholarship or bursary **please** take the time to write a personal letter of thanks to the donor. If you need to postpone your schooling for one (1) year, ask them if it is possible to defer the award.

PERSONAL EDUCATION NUMBER

A Personal Education Number (PEN) is a 9-digit identification number assigned by the Ministry to each student registered in Kindergarten to Grade 12 in the Public or Independent school systems and to students registered in BC's public post-secondary institutions.

Students must have a PEN to register for the Provincial Government Examinations and the Provincial Government Scholarship Examinations.
