Any students interested in peer training
in suicide prevention facilitated by
Vancouver Island Crisis Society
should sign up with Support Worker Tina.

**GRASP is the acronym for
Growth, Resilience, Acknowledgement,
Suicide Awareness, Prevention
and Personal Planning.**

Young people often turn to their peers in
times of difficulty and are aware of school
dynamics that school staff may not know
about. GRASP was developed as a Peer
Gatekeeper training program to provide
students with the skills needed to recognize
and identify students at risk and
where they can turn for help.

If you would like to take part, or would like
more information, please connect with Tina.

First session is Monday, Oct. 24.

School INFORMATION

Student absences

If your child is going to be absent from school please call the school at 250-246-4711 or email chssfrontdesksecretary@sd79.bc.ca. It is best if you can let us know in the morning but you can leave a voicemail at any time of the day. Should you request homework, it is best to email your child's teacher and arrange it directly with the teacher.

Students leaving early

If your child will be leaving the school, it is required that a parent/guardian gives verbal permission through a phone call to the office or the child may call you in the office and put you on speaker phone. We no longer accept text messages from parent's guardian's.

Verification forms

Your child should have brought home a Verification form in the past couple of weeks. Please check it over, make any edits and sign the back and return to the school. Thank you!

Student fees

Just a reminder there are student fees every school year of \$25. Please pay student fees using schoolcashonline or with cash/cheque in the office.
