

THE COUGAR CHRONICLE

A Weekly Glance at CHSS Happenings

Nov 27 – Dec 1

It's hard to believe it, but here we are heading into December ALREADY!! It feels like a minute ago we were starting up school for the year and just like that, we've had our first report cards for grades 9 through 12! Now we are sliding into the last few weeks before Winter Break and before you know it, the New Year will be upon us.

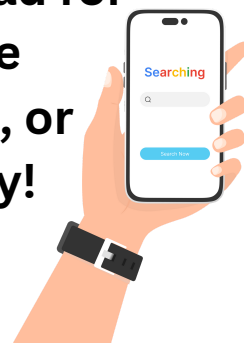

With all of this in mind, it is a great reminder to us all to slow down and enjoy the moments as they pass us by. Easier said than done some days, but well worth the pause when we can take one!

**it's okay to
slow down**
