

The Wilkinson Family Legacy Bursary Special Application Form

Amount: \$1,500 x 1

Open to all students in SD 79 (Cowichan Valley)
Recipient is selected by the Donor

Mr. Wilkinson moved to the Cowichan Valley several years ago, joining other family members already living here, and after participating in choosing bursary winners on behalf of the Auxiliary to Cowichan District Hospital several times, he has determined that with no offspring to sponsor, he can directly support a Cowichan student proceeding to a healthcare or journalism career because both of these career choices are services that Canada will need in years to come if it is to remain a caring, educated and informed society.

Awarded to a student going to an accredited post-secondary Canadian institution into a human health discipline or a communications/journalism career.
